The Honorable C. Alan Walker  
Secretary  
Department of Community and  
Economic Development  
4<sup>th</sup> Floor, Commonwealth Keystone Building  
Harrisburg, PA 17120

Dear Secretary Walker:

A Single Application for Assistance completed by the Keystone Marker Trust and Preservation Pennsylvania is being submitted to your department for consideration via on-line through the Department's website. Their application number is 8015912. I support their efforts in this valuable project.

The purpose of this grant request is to promote community development and tourism in Pennsylvania through restoration and replacement of the beautiful keystone highway markers. This project would provide a favorable first impression for visitors and reminders for citizens of our Pennsylvania communities of their own place in society for future generations to come. As you can see by the project description, the funding requested is important to the Keystone Marker Trust and Preservation Pennsylvania to allow them to continue the project successfully.

The Keystone Marker Trust and Preservation Pennsylvania is a worthy competitor in the grant program and plays a vital role in the community.

This application has my support. I urge you and your Department to strongly consider and approve this application should the request meet all of the eligibility requirements for the grant program.

Sincerely,

William F. Adolph, Jr., Member  
165<sup>th</sup> Legislative District
