

Works in Wood

2013

Works in Wood honors the **rich cultural heritage** of Bucks County woodworking while celebrating the **new visions of the contemporary artists** who reside in our region and beyond. As a **national juried** show, Works in Wood features artwork from the finest talent in the country today. Works are **not limited** by function but must be **original** in design and artists must incorporate at least 50% of wood in each piece. The **annual** exhibition features **functional and non-functional** works, studio **furniture, turnings, constructions, sculpture** and **vessels** in which artists use **wood** as their primary media.

- **Eligibility:** The exhibition is open to artists working in wood. Innovative works are encouraged. All works must be for sale or available by commission. New Hope Arts retains 35% commission on all sales.
