

## Virtual Exhibition Guide for Submission

Please submit a jpg. of the art work to [info@newhopearts.org](mailto:info@newhopearts.org) with the artist, title, medium and any additional notes you wish to add and share with the community.

We are mounting show via YouTube, on a weekly basis at present. We hope to make the quality of the presentation more professional as we work from home, but the idea is sharing, so please participate.
